## TERMS OF SALE

1. This is an unrestricted Mail Bid Sale. All lots will be sold to the highest bidder. Enter your bid by lot number. Please feel free to bid as much as you wish on each lot, with the realization that all bids will be treated as limits and all lots will be sold below those bids as competition dictates. Bids that are not entered in good faith or are deemed to be totally ridiculous will be refused at the cataloger's discretion. Prices listed are estimates only.
2. Closing date for this sale is Tuesday, January 25, 2000 at 5:00 P.M. (EST). Email and FAX bids will also be accepted until that time. Tie bids will be awarded to the earliest bid received. Bids received after the closing time will not be honored.
3. Bidders who are unknown to us are requested to supply two trade references prior to the sale or submit a deposit equal to twenty-five percent (25%) of their total bid.
4. A ten percent (10%) Buyer's Fee will be added to each lot won. **(CHANGE) A packing charge of seventy-five cents per lot (minimum \$3.00) plus shipping charges will be added.**
5. TERMS: Cash or check, payable in U.S. funds. Payment is due upon notification of successful bids. A late charge of \$1.50 per month will be added to all invoices over 30 days. Title to all lots remains with Function Associates until paid for in full. Delivery may be postponed until full payment is received, at the discretion of the cataloger.
6. Unsuccessful bidders will be notified by mail in a prompt manner. We recognize the importance of liquidity of funds and will return deposits on a priority basis.
7. A Prices Realized List will be mailed to each bidder. A copy of the prices realized may be ordered for delivery after the sale. The price is one dollar (\$1.00) for those persons who are not bidders.
8. Mail Bid Sales are not approval sales. No lot may be returned without written authorization and this must be requested within seven days after receipt of lots purchased.
9. All books are as described. Any errors or typographical mistakes will be happily corrected.
10. The cataloger has attempted to describe the condition of each lot as to signs of wear. If no descriptor is noted, it may be assumed that the lot is in Fine(F) to Very Fine(VF) condition.
11. Bids in odd amounts will be rounded up to the nearest half dollar increment.
12. Telephone bids are accepted. If you so desire, you will be informed as to whether your first bid is a successful bid or not. A second bid may then be offered, but with the provision that this second bid will not be reduced as competition dictates.

PLEASE NOTE

Many of the auction catalogs listed in this section were acquired by Harry Bass from the Thomas L. Moore library. These catalogs were bound by Mr. Moore in a variety of colors and materials. The prices realized lists were bound in and the title and date of the sale were stamped in gilt on the front cover and the spine. In order to designate these catalogs, you will find the initials (TLM) after the description. Also, a new abbreviation has been added, BP (bookplate). See the inside rear cover of this catalog for a complete list of abbreviations and grading standards.

- G31. **YEOMAN**, R.S.-1947-First Edition-First Printing-"Redbook". There were two printings made of the first edition. Each was set at 9000 copies. The second printing was made to correct an error found on page 135 where it is stated "which accounts for the scarcity of this date". The revised text states "which accounts for the scarcity of the 19030". This is a very nice copy, with little or no spotting. The gilt is strong and the binding is reasonably tight. "Elston G. Bradfield" is written on the front paste-down. A desirable copy. . . . . VF 275.00
